

## Deer Resistant Native Plants for Shade

Common Name	Scientific Name	Nectar or Host	Water Needs
wild columbine	<i>Aquilegia canadensis</i>		Drought
Eurybia divaricata	<i>Aster divaricatus</i>	Nectar	Drought
Northern Sea oats	<i>Chasmanthium latifolium</i>	Host	Drought
Lynnhaven Carpet	<i>Erigeron pulchellus</i> var <i>pulchellus</i>	Nectar	Drought
American Alumroot	<i>Heuchera americana</i> 'Dale's Strain'		Drought
Alumroot	<i>Heuchera macrorhiza</i> 'Autumn Bride'	Nectar	Drought
roundleaf ragwort	<i>Packera obovata</i>		Drought
heartleaf skullcap	<i>Scutellaria ovata</i>	Nectar	Drought
Sedum	<i>Sedum ternatum</i> 'Larinem Park'		Drought
Wild pinks	<i>Silene caroliniana</i> var. wherryi 'Short and Sweet'		Drought
Walter's Violet	<i>Viola walteri</i> 'Silver Gem'	Host	Drought
Soil of Average Dryness			
Five-Finger Maidenhair fern	<i>Adiantum pedatum</i>		Average
Common or small Jack-in- the-pulpit	<i>Arisaema triphyllum</i>		Average
Pawpaw, Common Pawpaw	<i>Asimina triloba</i>		Average
Lady Fern	<i>Athyrium filix-femina</i>		Average
American Hornbeam, Ironwood	<i>Carpinus caroliniana</i>		Average
Bitternut Hickory	<i>Carya cordiformis</i>		Average
Mockernut Hickory	<i>Carya tomentosa</i>		Average

Deer Resistant Shade

Buttonbush	<i>Cephalanthus occidentalis</i>		Average
Green and Gold	<i>Chrysogonum virginianum</i> var. <i>australe</i>		Average
tall larkspur	<i>Delphinium exaltatum</i>	Nectar	Average
Hay-Scented Fern	<i>Dennstaedtia punctilobula</i>		Average
wild bleeding heart	<i>Dicentra eximia</i>		Average
Log Fern	<i>Dryopteris celsa</i>		Average
Male Fern	<i>Dryopteris filix-mas</i>		Average
Goldie's Giant Wood Fern	<i>Dryopteris goldiana</i>		Average
Fancy Fern	<i>Dryopteris intermedia</i>		Average
Southern Shield Fern	<i>Dryopteris ludoviciana</i>		Average
Marginal Wood Fern	<i>Dryopteris marginalis</i>		Average
American Beech	<i>Fagus grandifolia</i>		Average
wild geranium	<i>Geranium maculatum</i>	Nectar	Average
Appalachian barren strawberry	<i>Geum fragarioides</i>		Average
Downy Rattlesnake Plantain	<i>Goodyera pubescens</i>		Average
American Alumroot	<i>Heuchera americana</i>		Average
longflower alumroot	<i>Heuchera longiflora</i>		Average
Smooth Hydrangea	<i>Hydrangea arborescens</i>	Host	Average
dwarf crested iris	<i>Iris cristata</i>		Average
harlequin blueflag	<i>Iris versicolor</i>		Average
Mountain Laurel	<i>Kalmia latifolia</i>	Nectar + Host	Average

Deer Resistant Shade

Canadian woodnettle	Laportea canadensis	Host	Average
spicebush (Lindera benzoin),	Lindera benzoin	Host	Average
Ostrich Fern	Matteuccia struthiopteris		Average
Meehan's Mint	Meehania cordata		Average
Virginia Bluebell, Virginia Cowslip	Mertensia virginica		Average
Sensitive Fern	Onoclea sensibilis		Average
Cinnamon Fern	Osmunda cinnamomea		Average
Interrupted Fern	Osmunda claytoniana		Average
American Royal Fern	Osmunda regalis var. spectabilis		Average
Royal Fern	Osmunda spectabilis		Average
Cinnamon Fern	Osmundastrum cinnamomeum		Average
Violet Wood Sorrel	Oxalis violacea		Average
Allegheny spurge	Pachysandra procumbens. NOTE: native to other nearby states, but not VA		Average
New York Fern	Parathelypteris novaboracensis		Average
Wild Blue Phlox, Woodland Phlox	Phlox divaricata		Average
May Apple	Podophyllum peltata	Host	Average
Christmas Fern	Polystichum acrostichoides		Average
Bracken Fern	Pteridium aquilinum		Average
clustered mountainmint	Pycnanthemum muticum	Nectar	Average
narrowleaf mountainmint	Pycnanthemum tenuifolium	Nectar	Average

Deer Resistant Shade

Indian pink	<i>Spigelia marilandica</i> NOTE: Native to MD, but not VA	Nectar	Average
New York Fern	<i>Thelypteris noveboracensis</i>		Average
Marsh Fern	<i>Thelypteris palustris</i>		Average
	<i>Tiarella cordifolia</i>		Average
Virginia Spiderwort	<i>Tradescentia virginiana</i>		Average
Virginia Chain Fern	<i>Woodwardia virginica</i>		Average
<b>Moist Soil</b>			
Goat's Beard	<i>Aruncus dioicus</i>		Moist
Canadian wildginger	<i>Asarum canadense</i>		Moist
Blue Wood Aster	<i>Aster cordifolius</i>	Nectar + Host	Moist
Buttonbush	<i>Cephalanthus occidentalis</i>	Nectar	Moist
Fringetree	<i>Chionanthus virginicus</i>	Host	Moist
Wild ageratum	<i>Eupatorium coelestinum</i>	Nectar	Moist
Witch-hazel	<i>Hamamelis virginiana</i>		Moist
Jewel Weed, Touch me Not	<i>Impatiens capensis</i>	Nectar	Moist
Virginia Bluebells	<i>Mertensia virginica</i>	Nectar	Moist
golden ragwort	<i>Packera aurea</i>		Moist
Greek valerian	<i>Polemonium reptans</i>		Moist
